resenting the Luxurious Valk Continental II

Experience the epitome of luxury with our Valk Continental II. This fully-equipped aluminum marvel is designed for comfort and style. It features air conditioning, floor heating, stabilizers, an electric retractable sun awning, and hydraulic winches on the aft deck. The interior boasts Alcantara upholstery, stainless steel windows, doors, toe rails, and an oval railing, exemplifying exceptional craftsmanship.

With a CE-A rating, you can trust its quality. Three comfortable cabins provide serene accommodations, while an electric sliding roof in the saloon seamlessly blends indoor and outdoor spaces. Plus, the Dutch VAT is already paid, ensuring a hassle-free experience.

Relax on the front deck's round seat with an extra steering position. Please note that specifications are based on the owner's and manufacturer's information. Discover the Valk Continental II, a vessel that combines elegance with functionality.
